

## **Robin Crow**

Robin Crow is a speaker, author, entrepreneur, environmentalist, business owner and one of the most innovative guitarists in the world. With over 2,000 presentations to his name, his expertise on leadership and customer service comes from 30 hard-won years in the trenches as an entrepreneur.

For the past 13 of those years, he has led his company, Dark Horse Recording, a four studio complex he built from the ground up, to set the gold standard for customer service and excellence in the recording industry; it is home to Faith Hill, Neil Diamond, Michael W. Smith, Jewel, Tim McGraw and Alison Krauss to name a few.

He has had ten albums released and four books published, including *Jump and the Net Will Appear*, which has become required reading for many high schools and universities. His other popular titles include: *The Power of an Idea*, *The Power of Service* and his latest *Rock Solid Leadership*.

Robin has been a contributor on CNN and Canada AM, and has made over 55 other national and major market television appearances. He is also a featured speaker for Nightingale Conant.

Robin lives in Franklin, TN and serves on the boards of several organizations. He loves spending time enjoying some of his greatest passions – hanging out with his four children, throwing large barbecues for his studio clients and friends, and spending as much time as possible in the Rocky Mountains.
