ANGELA MAIERS

Leader. Visionary. Entrepreneur. Disruptor. Change Maker. Angela embodies each of these descriptors with passion, commitment and fierce determination. She has been creating and leading change in education and enterprise for 31 years, teaching every level of school from grade school to graduate school and consulting with companies around the world.

Angela founded Choose2Matter to bring the world hope by helping every individual embrace their value and potential contribution. Initially launched to challenge and inspire students to work collaboratively to develop innovative solutions to social problems, Choose2Matter has evolved into a movement that support parents, educators, and employees around the world. Her work in 60,000 classrooms across 100 countries has rallied more than a million children who have banded together to launch 170 social enterprises and pass 17 laws. And organizations across all industries are finding new ways to ignite the genius of their employees, successfully addressing a \$15 trillion employee engagement problem

Angela earned a BS in Education with a minor in Neuroscience and Master Degrees in Literacy and Ed Leadership.

She is the author of eight books, including *Liberating Genius*, *The Habitudes* and *The Passion Driven Classroom*. Angela is widely recognized as one of most influential voices on social media today, consistently ranking in the top 1% and a regular contributor to the Huffington Post. @angelamaiers
