YOUR GLOBAL PARTNER IN THOUGHT LEADERSHIP

DR. MICHELLE ROZEN

Dr. Michelle is the author of three books, a Huffington Post writer, and has been featured on NBC, ABC, CNN, FOX News and many other media outlets discussing change, motivation and how the human mind works to become exceptional in every area of our lives, personally and professionally.

Dr. Michelle's expertise and passion are change management and motivation. She is one of the most sought-after change management motivational leadership speakers nationwide as well as internationally. Dr. Michelle speaks to the audience from personal experience. Years ago, unhappy with her job, life and future, she decided to turn her life around, embarking on a journey to achieve her goals. After achieving her PhD in Psychology, it became Dr. Michelle's purpose and passion to help others.

Dr. Michelle is a nationwide as well as international authority on leadership development, employee engagement, motivation and change management, and she always works with you to and with your team to create a customized program that works perfectly for your event's agenda. Dr. Michelle always takes the time to interview key stakeholders and team members, review materials, and weave in relevant themes and areas of focus based on interviews, materials and your specific requests.

Dr. Michelle's talks, books and seminars uplifting and engaging. She is humorous, highly interactive and provides real strategies to change our lives, accomplish our goals and become the best version of ourselves, personally and professionally, in a rapidly changing world.
